DAY PORTER SERVICE

At Signature Cleaning Concepts, we know your place of business needs to look its very best at all times, not just first thing in the morning after the overnight cleaning crew has been by. With our available Day Porter Service, your facility will be kept its sparkling-clean best throughout the entire day.

Our Day Porters are responsible for keeping all indoor public areas of your facility clean, safe, and organized. Whether your place of business is a hotel, shopping mall, medical facility, or office building, our Day Porters are available to provide discreet cleaning services to ensure your customers' first impression of your establishment is one of cleanliness.

INDOOR SERVICES

- Maintaining the cleanliness and general appearance of your public spaces, such as foyers, restrooms, and reception areas
- Immediate removal of safety hazards, such as trip hazards, slippery floors, etc.
- Replacing light bulbs and air conditioning filters
- Ensuring all sanitation supplies are adequately stocked

OUTDOOR SERVICES

- Remove litter around the building
- Cleaning ground-level windows and doors

Whether your business requires round-the-clock attention, or just needs someone on hand a few ours a day, our Day Porter Services are available on a schedule that fits your needs. Get started today with a free consultation.
